

Dear Sir or Madam,

Thank you for allowing us to find your next vehicle! We value the trust that you have placed in us.

In an effort to keep our expenses low, and continue to offer you the best possible prices, we are implementing a new ordering system. Please take a few moments to fill out the sales agreement, and fax or mail it back to us. This will ensure that any car we purchase for you will be **precisely** what you want, since you have specified it in writing.

For us to keep our prices low, we must be good stewards of our time and limited resources. It costs us several hundred dollars in labor and travel expenses to research and purchase a vehicle. To help us focus on our customers who are serious and really ready to buy, we require a \$500 deposit before any vehicle purchase. As spelled out in the sales contract, the deposit is **FULLY** refundable, with interest, as long as the agreed-upon conditions are met.

Please return your completed order form and your deposit to us as quickly as possible. If you have any questions or concerns, please do not hesitate to call us 805/596-0258. We look forward to serving you, and helping you find a high-quality car at the best possible price.

Sincerely,

Christian Henderson
